Conversation Heart Candy Trees

~Supplies~

- [FloraCraft White Cones](#) - I bought three different sizes. ([14.8 Inches](#) , [8.8 inches](#), [5.8 inches](#))
- [Montana Orchid Pink](#) Spray Paint
- [Glue Gun](#) & lots of extra glue sticks
- 2 bags of [Sweethearts Reclosable Zipper Bag, 16oz Bag](#) (there are not very many blue candies, so I used every last one in each bag)

~Directions~

1. Spray paint the [FloraCraft White Cones](#) in a well ventilated area with the [Montana Orchid Pink](#) paint. Leave to dry.
2. Separated the candy hearts into ramekins by color
3. Take one dry painted cone and, starting at the bottom, glue on the candy hearts* in a random color pattern around the cone until you reach the top.
4. Glue each cone with candy heart until they are all done.
5. Arranged the cones on a cake plate and scatter the extra candy around the base of the cones.

*I chose to place the words facing the cone, but you can face them out if you prefer.
